

New Advances in the Science of Ultraviolet Room Disinfection:

Bringing Together Clinical, Operational & Financial Perspectives

Webinar Presenter:

Dr. Hudson Garrett Jr.

Adjunct Assistant Professor of Medicine in the Division of Infectious Diseases at the University of Louisville School of Medicine

OVERVIEW

The continued threats posed by infectious diseases are a constant reminder of the importance of regular environmental surface disinfection in Healthcare-Associated Infections. Using novel technologies such as UV disinfection devices can assist with the disinfection of high-risk clinical areas and large-surface area environments. These technologies must be carefully evaluated by cross-functional teams, including Infection Preventionists and Value Analysis professionals, through a clinical, financial, and operational lens.

OBJECTIVES

1. Discuss the need for a renewed focus on cleaning and disinfection in all healthcare settings
2. Review the current evidence-based clinical recommendations for disinfection of the complex healthcare environment, including high-risk patient care environments
3. Discuss how to objectively evaluate novel disinfection technologies to maximize ROI and improve clinical, financial, and operational outcomes

WEBINAR FACULTY

Dr. Hudson Garrett Jr. is an Adjunct Assistant Professor of Medicine in the Division of Infectious Diseases at the University of Louisville School of Medicine. He also co-founded the nonprofit the Infection Prevention Institute to help shepherd the dissemination of best practices of infection prevention and control across the healthcare continuum of care globally. He holds a Graduate Certificate in Infection Prevention and Infection Control from the University of South Florida. He has completed the Johns Hopkins Fellows Program in Hospital Epidemiology and Infection Control. Dr. Garrett is a Fellow in both the Society for Healthcare Epidemiology of America and the Infectious Diseases Society of America.

ACCREDITATION INFORMATION

This webinar is approved for 1.0 hours of CE Credits for registered nurses. Terri Goodman & Associates is an approved provider by the California Board of Registered Nursing, Provider Number CEP 16550. CE Credits will also be awarded for Certified Value Analysis Healthcare Professionals.
