Infection Preventionist &
UVDI Clinical Liaison

Ray Sheehan
EVS Trainer, Retired,
Learning and Leadership Institute,
Children's Health Dallas

Ashish Mathur, Ph.D.
Vice President of
Innovation & Technology,
UVDI

OVERVIEW

Labor shortages and staffing turnover have made access to expert Infection Prevention Training and Education extremely challenging.

UVDI is pleased to host a new Town Hall webinar featuring an expert panel of Environmental Hygiene leaders: **Infection Preventionist and UVDI Clinical Liaison Sharon Ward-Fore, Environmental Services Trainer Ray Sheehan and Dr. Ashish Mathur, Vice President of Innovation and Technology, UVDI.**

The Expert Panel will address key current topics and answer your real-time questions on Environmental Hygiene and UV room disinfection to support you and your Team. The Panelists will share their collective 100+ years of Healthcare Infection Prevention, Environmental Services and UV Technology expertise applying a cross-functional approach essential to successful implementation.

Please come with questions or submit in advance to AskanIP@uvdi.com
